

Paying legacy debt

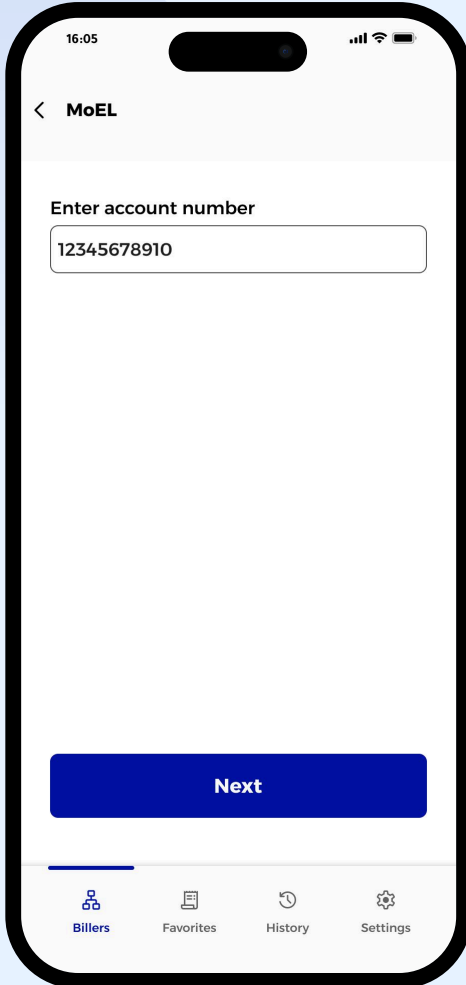

Follow these simple steps to pay your bill

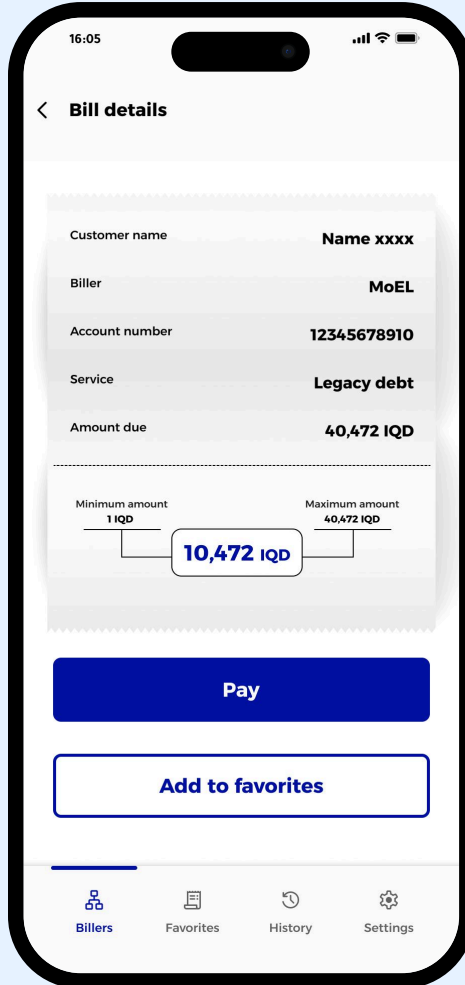

1
Select **Ministry of Electricity** from the billers list to begin

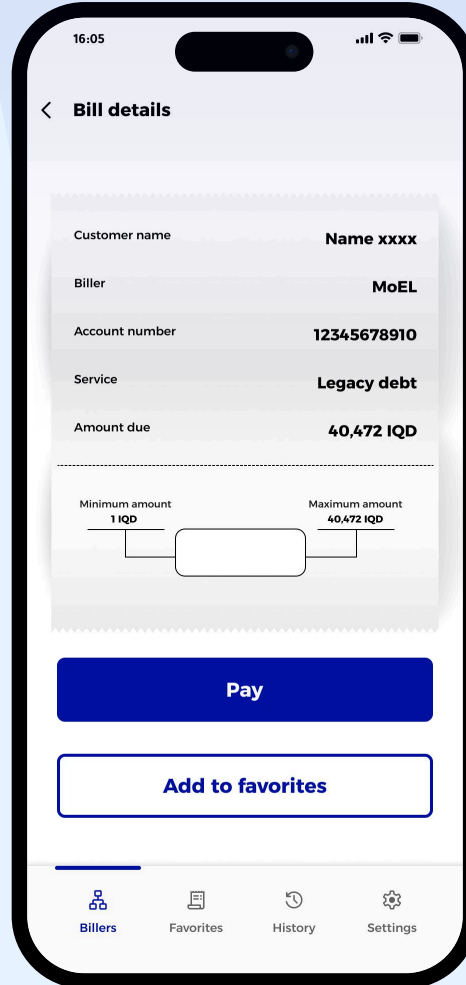

2
Pick **“Legacy Debt”** to pay off charges from before you migrated to 24/7 electricity

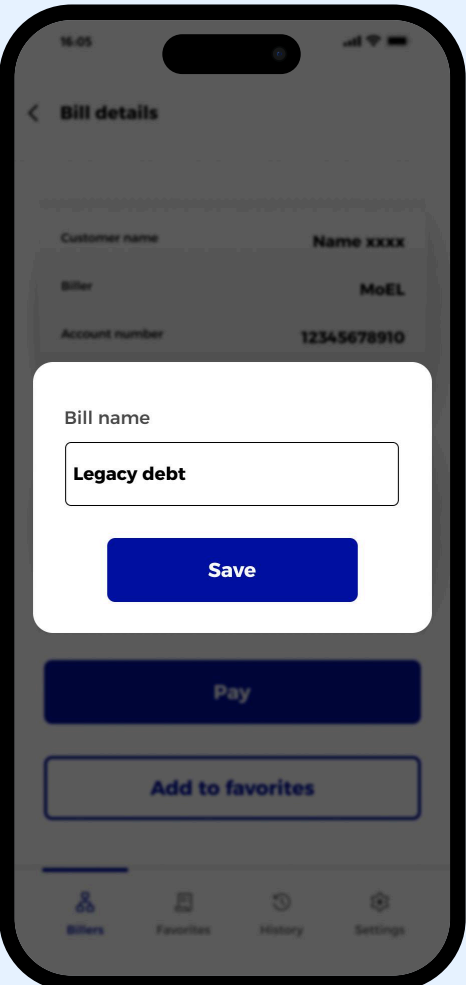

3
Type your **Ministry of Electricity account number** to retrieve your bill details

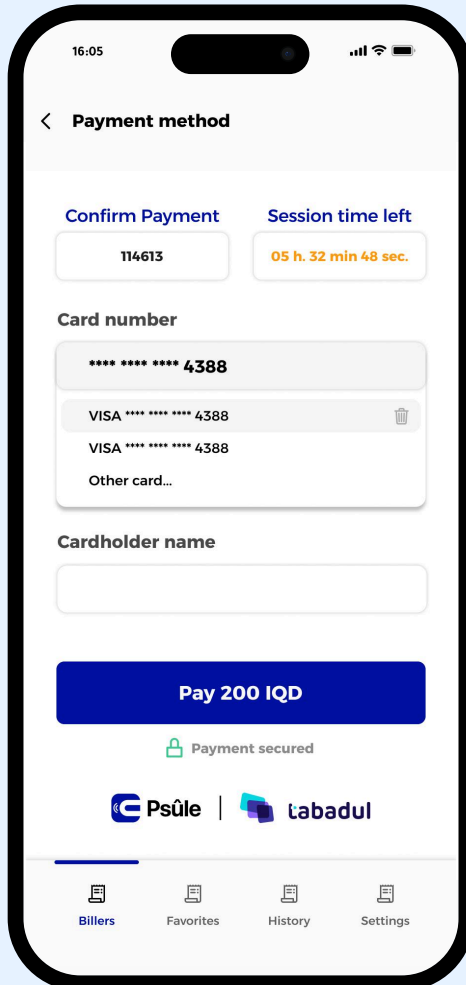

4.a
Input the amount you want to pay, ensuring it falls in the defined range and tap 'Add to favorites'

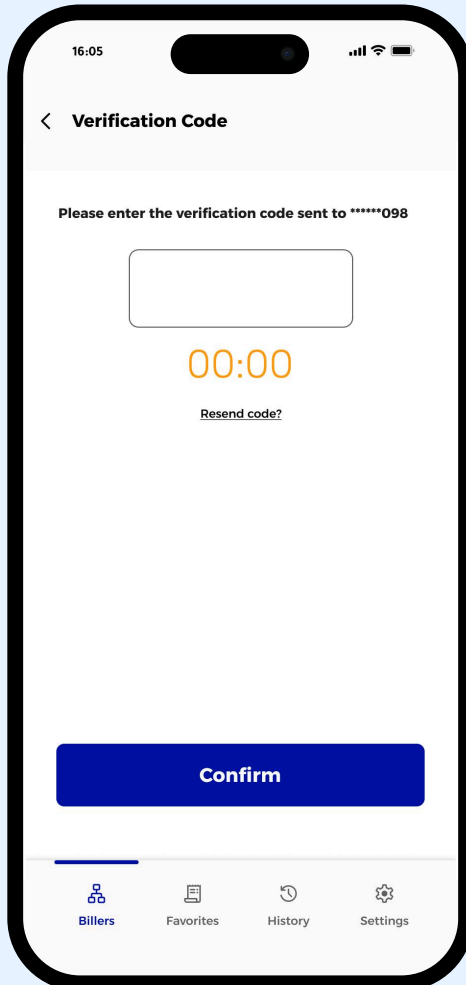

4.b
You will have to **pay in full** in case you have an unsettled installment plan

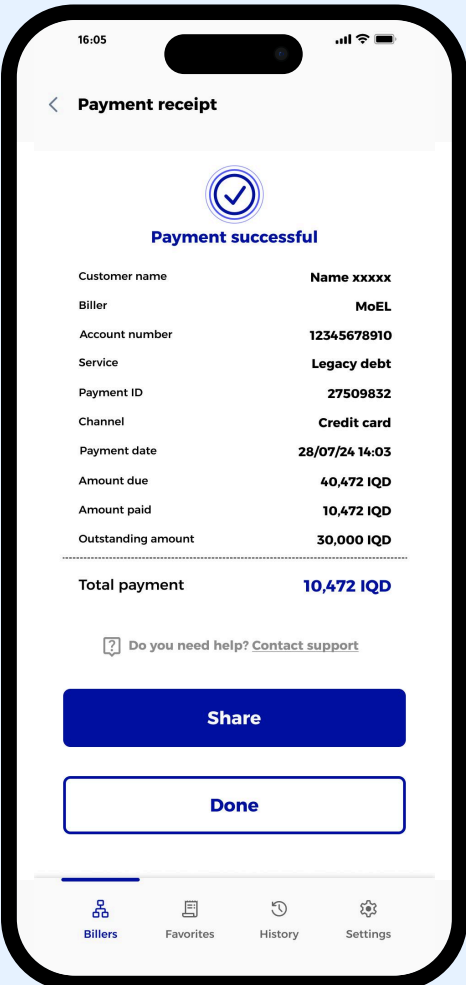

5
Tap **“Save”** to save this bill for later and tap **“Pay”** to proceed

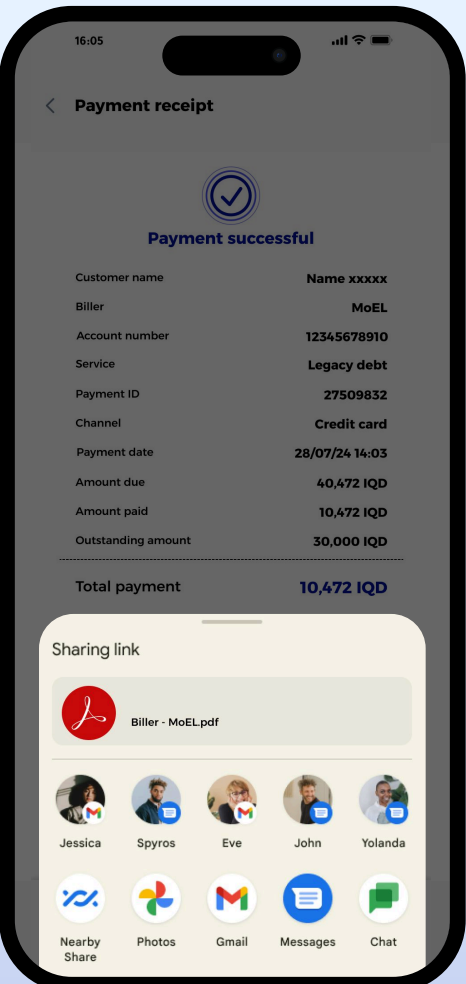

6
Select a saved card or add a new one to proceed with your payment

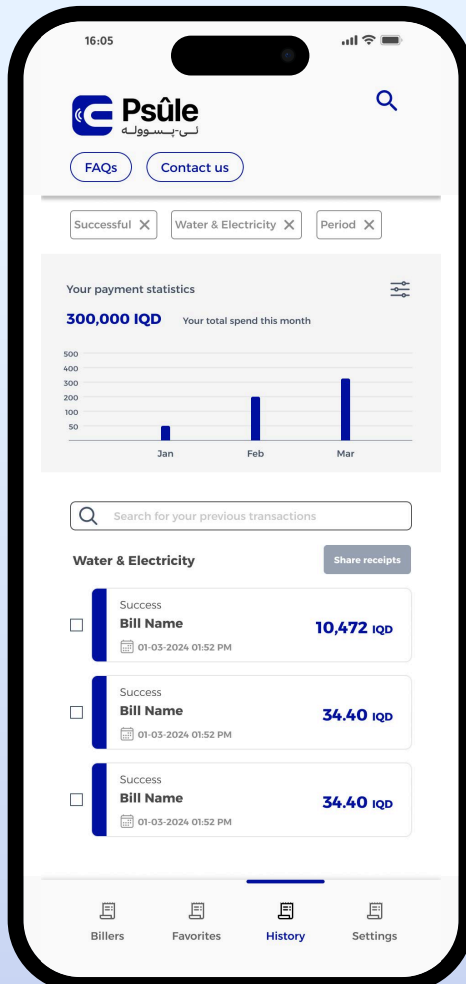

7
Confirm your payment via your bank’s authentication method

8
Your payment is **complete!**

9
Tap to download your receipt or share it via your preferred channel

10
You can find your receipt in your **“History”** tab
