

Adding and paying saved bills

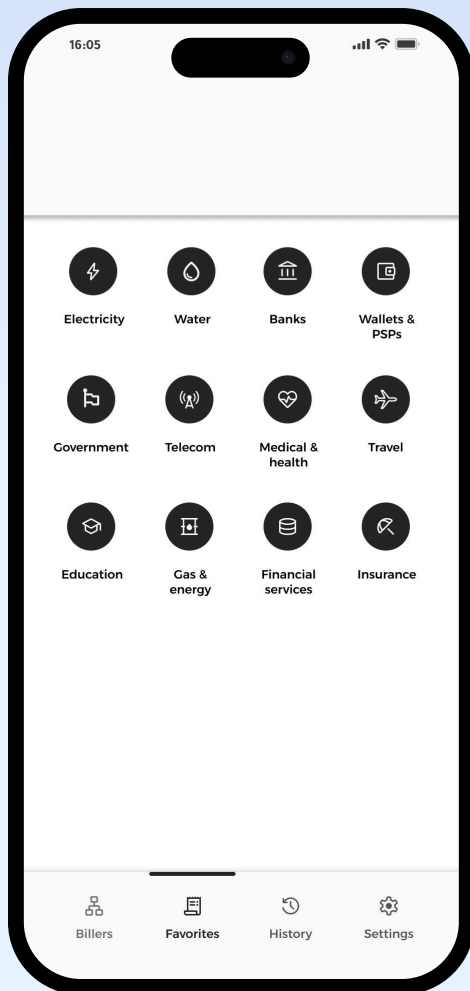

Follow these simple steps to pay your bill

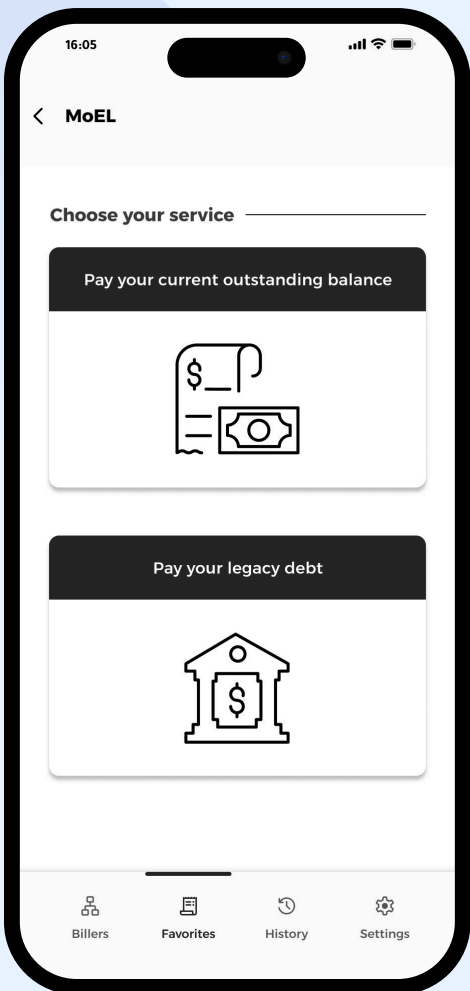

1

Access your Favorites tab to manage or add saved bills. Tap “**Add to Favorites**” to save a new bill for easy access

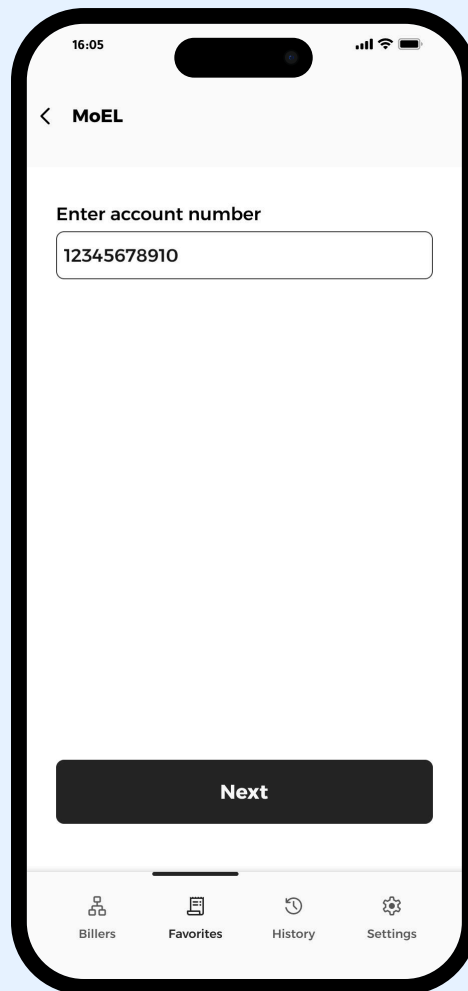

2

Select **Ministry of Electricity** from the billers list to begin

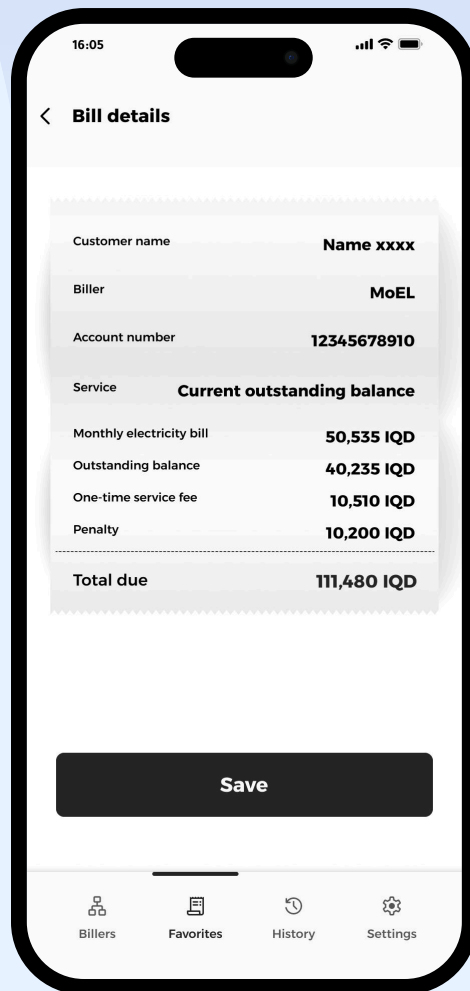

3

Pick the bill you would like to save (i.e., “**Current Outstanding Balance**” or “**Legacy Debt**”)

4

Type your **Ministry of Electricity** account number to retrieve your bill details

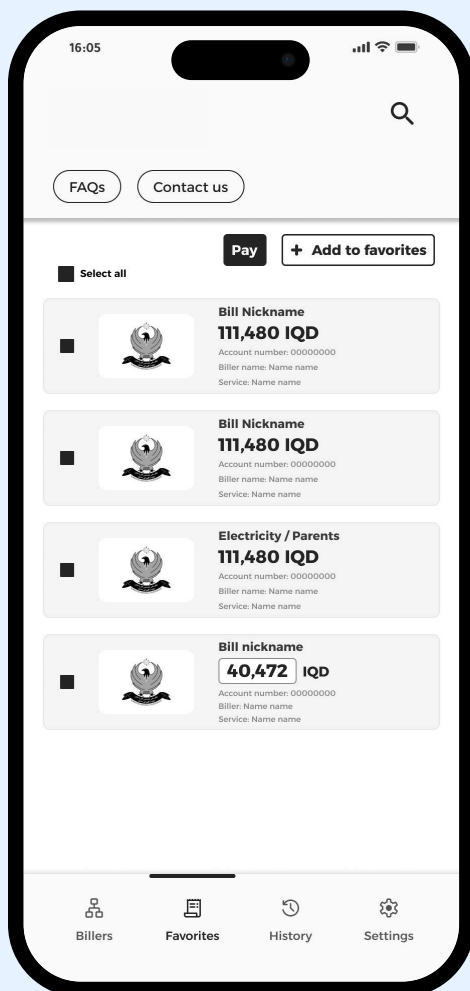

5

Check your **name, bill details and total amount due** and tap “**Save**” to proceed

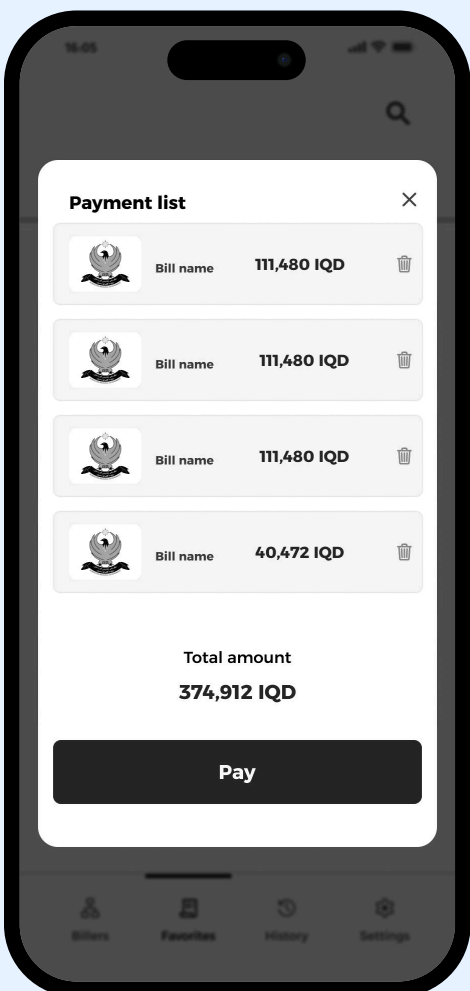

6

Add a **bill name** to save this bill for later

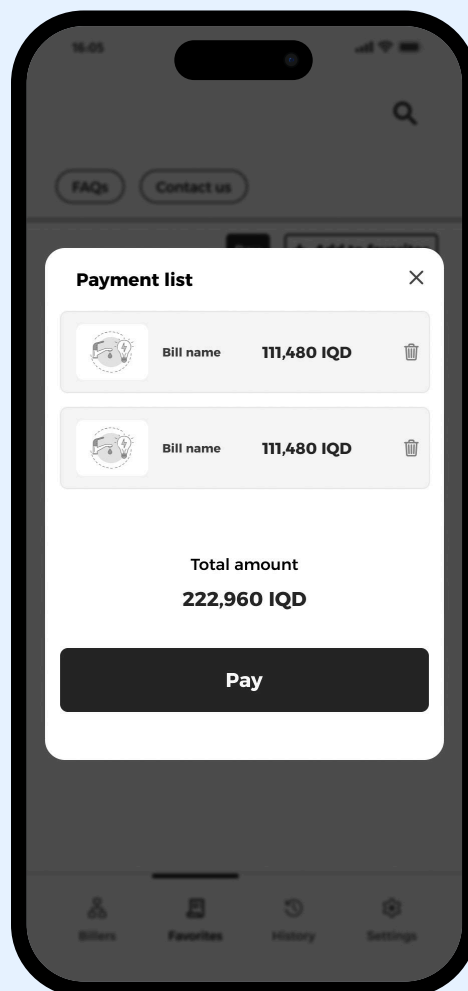

7

Return to **Favorites**, select the bills you want to pay, and tap “**Pay**”

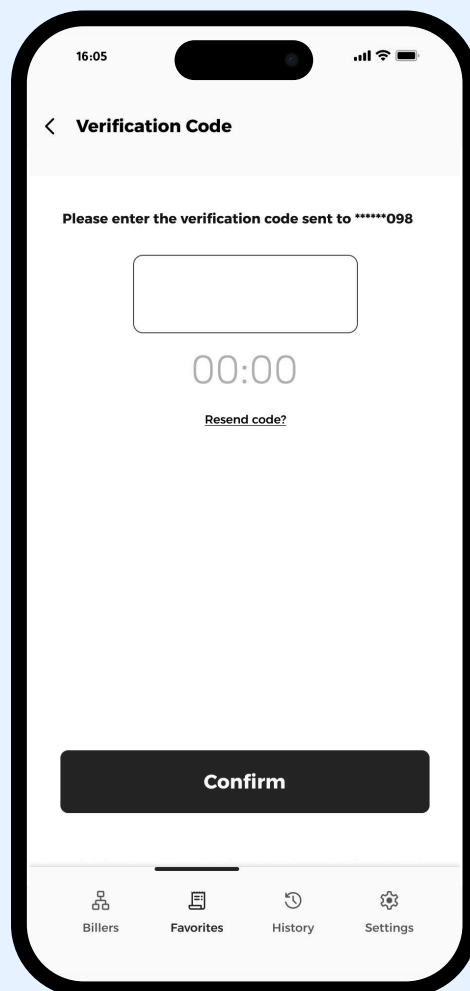

8

Review the list of bills you want to pay

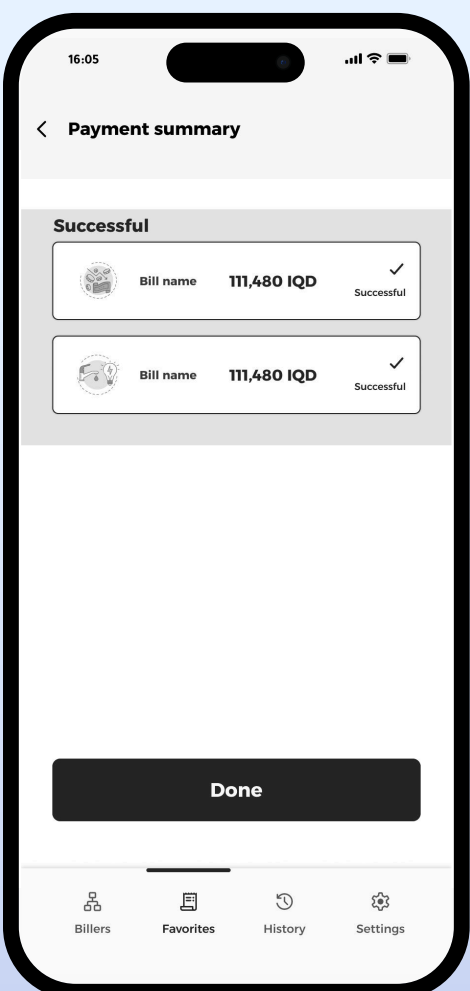

9

Remove any bills you do not want to pay

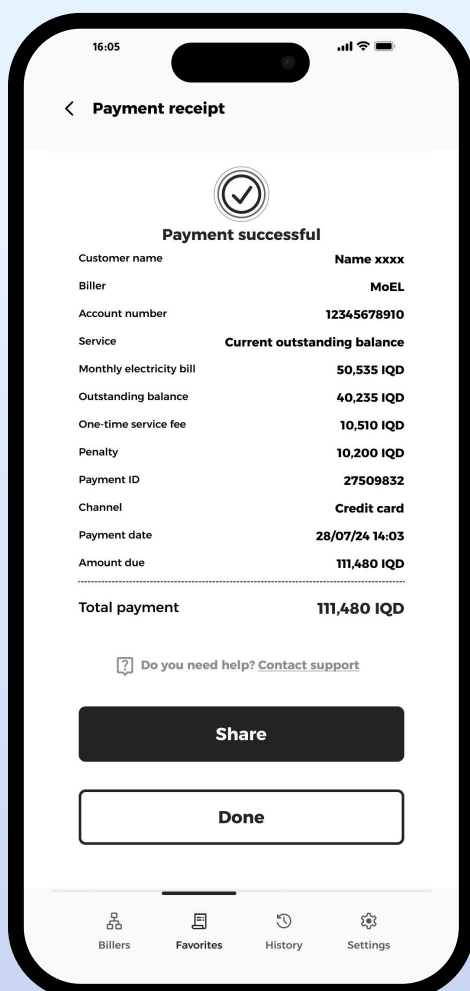

10

Confirm and authenticate your payment **using your e-wallet** or bank's authentication method

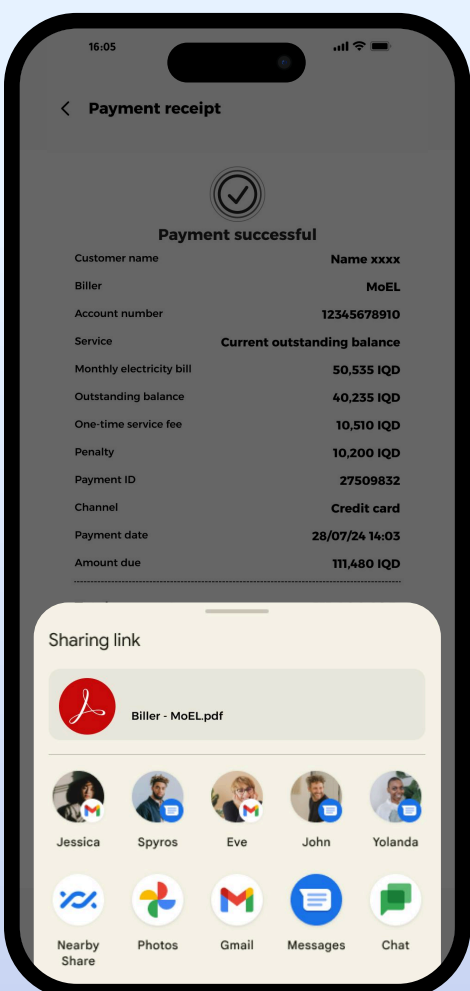

11

Your payments have been **completed!**

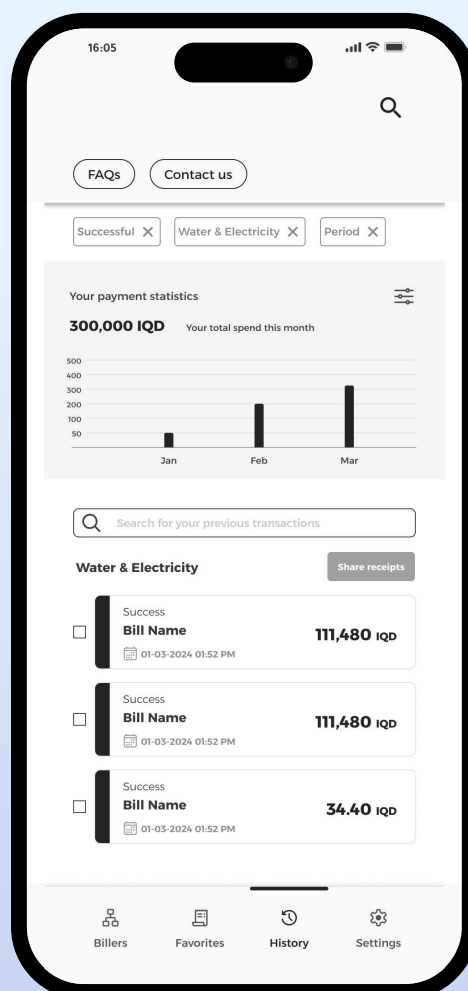

12

Tap any receipt to **view your payment details**

13

Share your receipt via your preferred channel and download it

14

You can **find your receipt** in your **e-Wallet** or bank's transaction history later
