

Paying legacy debt

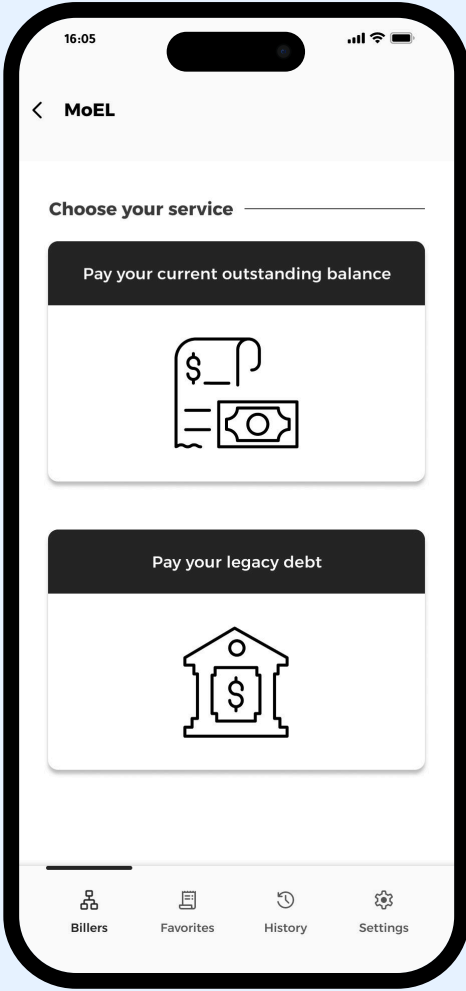

Follow these simple steps to pay your bill

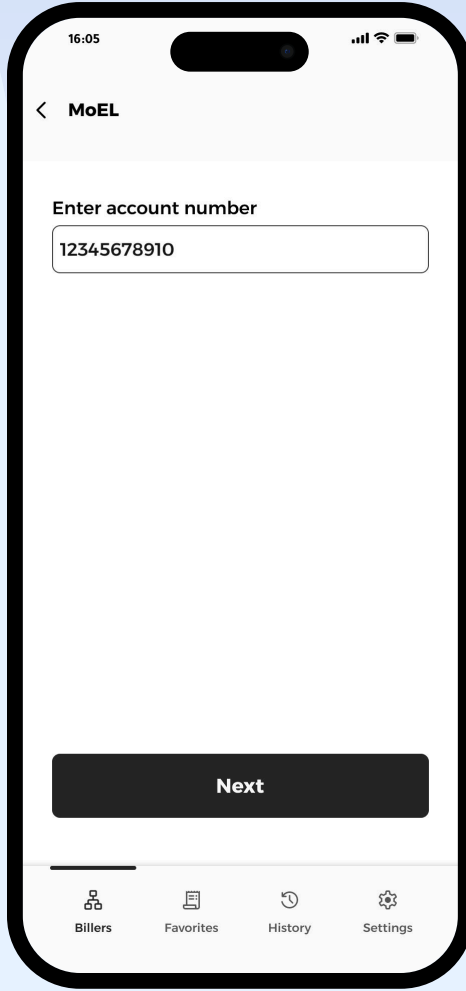

1
Open your e-Wallet, bank app, or online banking and access the e-Psule module

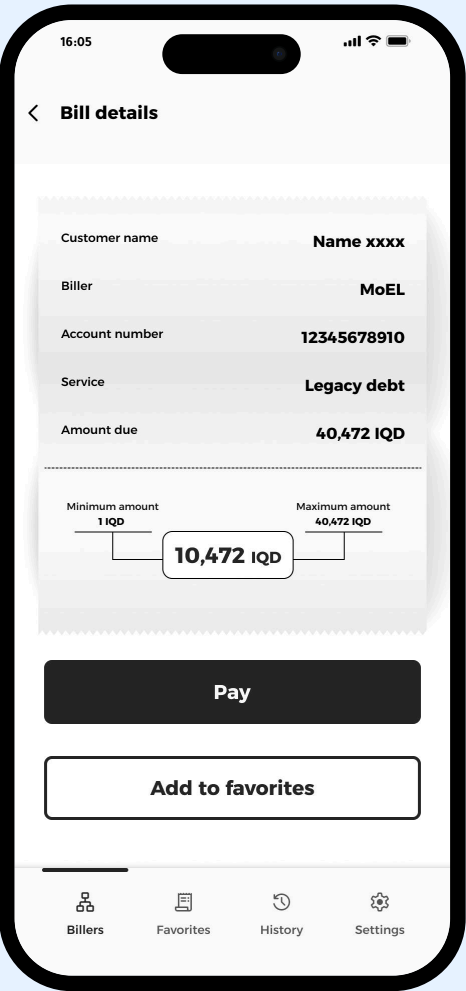

2
Select **Ministry of Electricity** from the billers list to begin

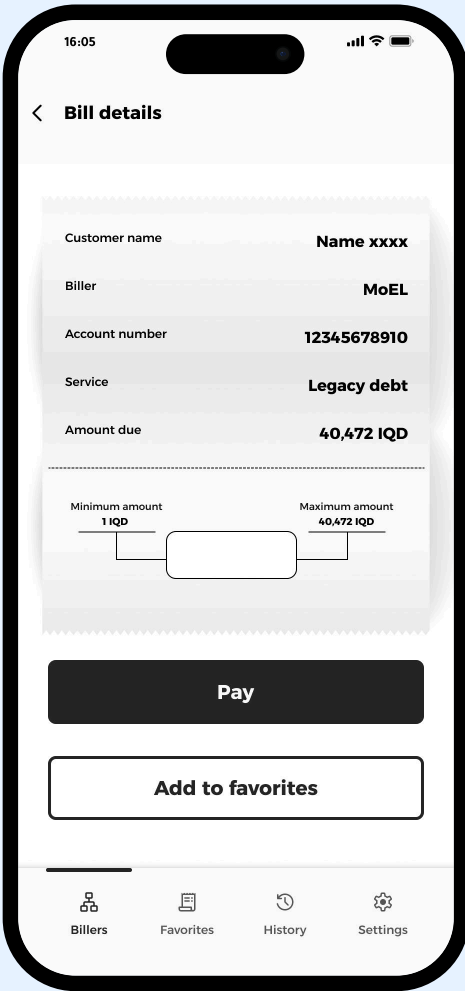

3
Pick **"Legacy Debt"** to pay off charges from before you migrated to 24/7 electricity

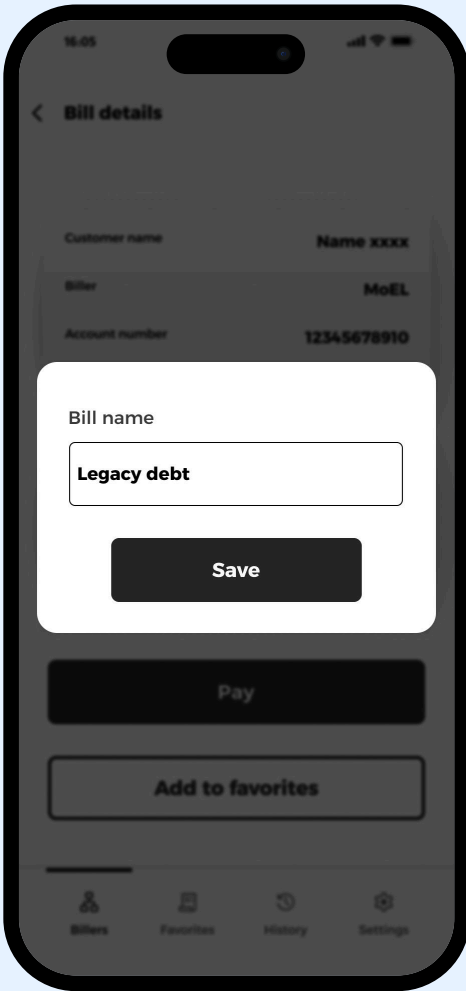

4
Type your **Ministry of Electricity account number** to retrieve your bill details

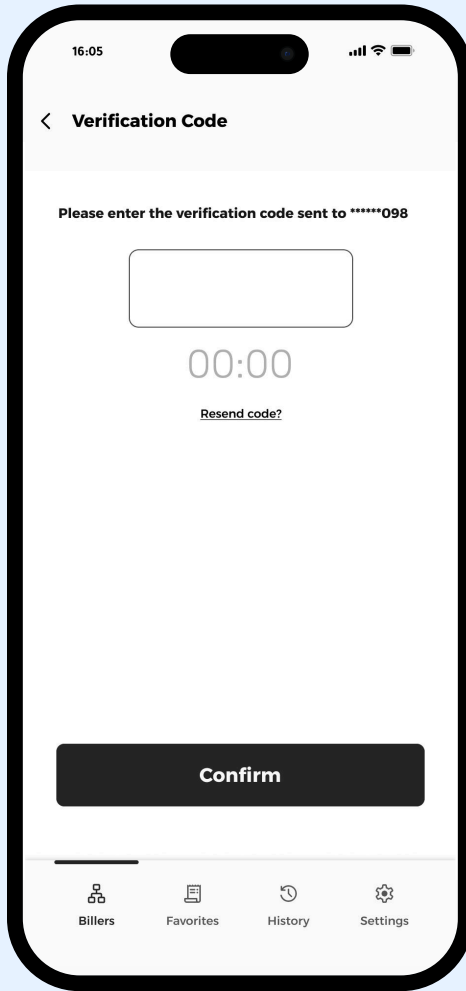

5.a
Input the amount you **want to pay**, ensuring it falls in the defined range and tap **"Add to favorites"** for easy access

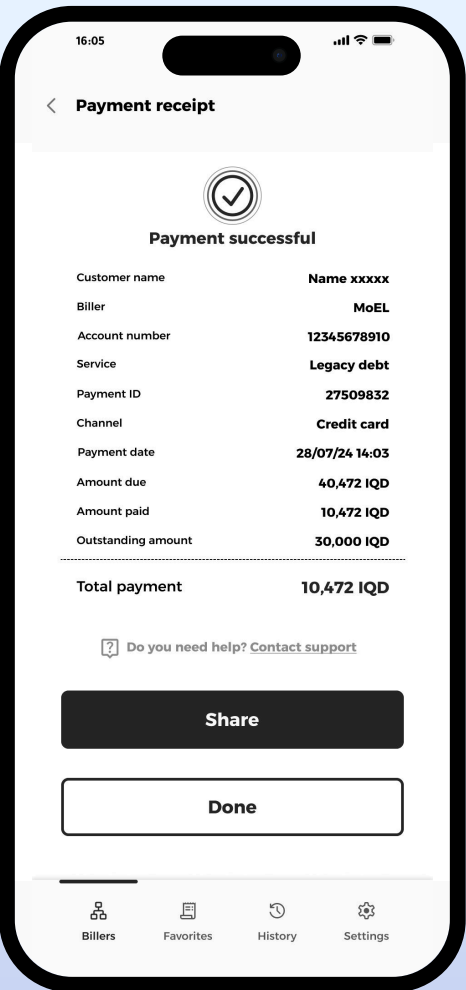

5.b
You will have to **pay in full** in case you have an unsettled installment plan

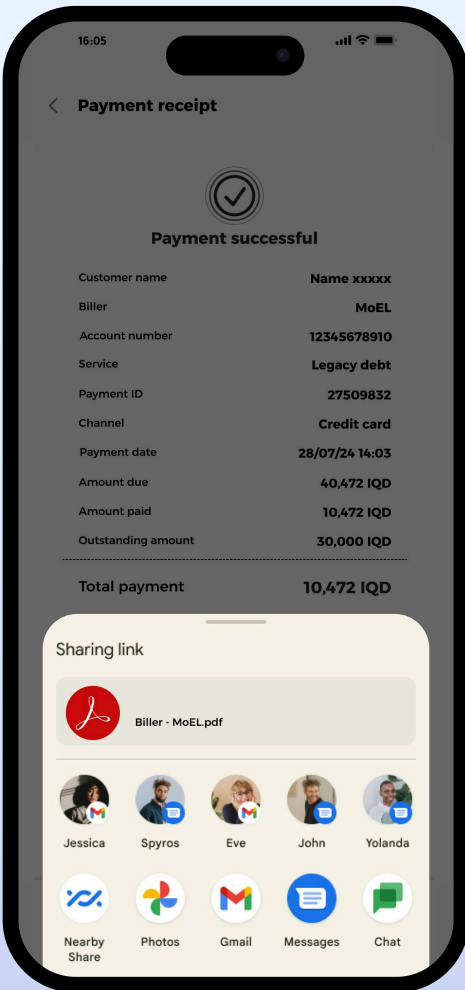

6
Tap **"save"** to save this bill for later and tap **"Pay"** to proceed

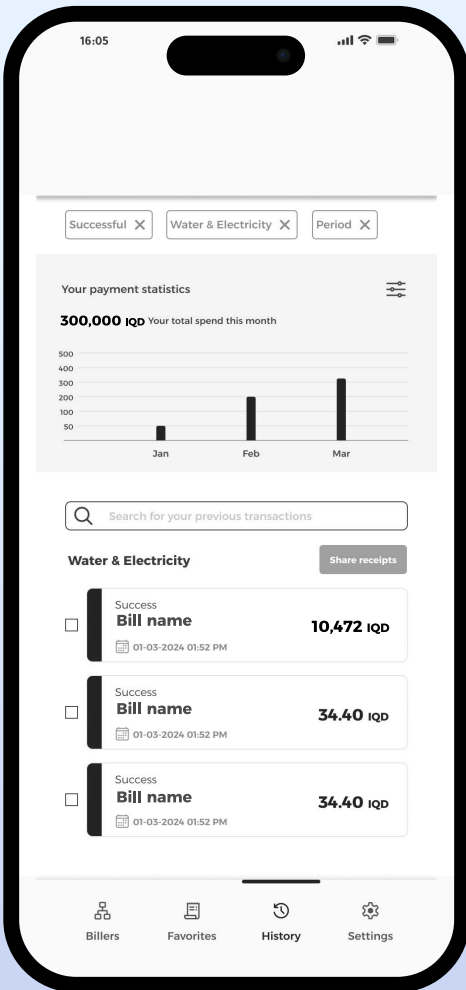

7
Confirm and authenticate your payment **using your e-wallet** or bank's authentication method

8
Your payment is **complete!**

9
Tap to download your receipt or **share it via your preferred channel**

10
You can **find your receipt in your e-Wallet** or bank's transaction history later
